Important Information About Your Appeal Rights

There are 2 kinds of appeals

Standard Appeal – We'll give you a written decision on a standard appeal within **30 days** after we get your appeal. Our decision might take longer if you ask for an extension, or if we need more information about your case. We'll tell you if we're taking extra time and will explain why more time is needed. If your appeal is for payment of a service you've already received, we'll give you a written decision within **60 days**.

Fast Appeal – We'll give you a decision on a fast appeal within **72 hours** after we get your appeal. You can ask for a fast appeal if you or your doctor believe your health could be seriously harmed by waiting up to 30 days for a decision.

We'll automatically give you a fast appeal if a doctor asks for one for you or supports your request. If you ask for a fast appeal without support from a doctor, we'll decide if your request requires a fast appeal. If we don't give you a fast appeal, we'll give you a decision within 30 days.
