Health First's Holmes Regional Medical Center

Health First's Holmes Regional Medical Center

Hospital Background Information

- 514-bed hospital
- Located in Melbourne, it is the premier tertiary hospital with a 500+ medical staff team
- The only state-accredited trauma center in Brevard and Indian River counties that provides:
 - ✓ 24/7 trauma care
 - ✓ Rapid patient transport via First Flight aeromedical helicopter
- Additional services include:
 - ✓ 53-bed Emergency Department
 - ✓ Birthing suites with a Level II neonatal ICU (NICU) for our tiniest patients
 - ✓ Orthopedic services
 - ✓ Cardiovascular services and neurology services

Health First's Holmes Regional Medical Center

- Proud to be the first hospital in Brevard to offer state-of-the-art robotics-assisted surgery for urology, prostate and gynecological conditions, advanced anterior hip replacement and reverse shoulder surgeries.
- As a Primary Stroke Center, our goal is to transport, assess, diagnose and treat each stroke patient within three hours of the onset of their symptoms. We also offer advanced, life-changing Interventional Neuro-Radiology procedures for advanced stroke treatment found nowhere else in Brevard.
- Awarded with the “**Get with the Guidelines**” **Gold Award** by the American Stroke Association.
